## 4.Search

-User can search the items which he is looking for

-I am searching for roses

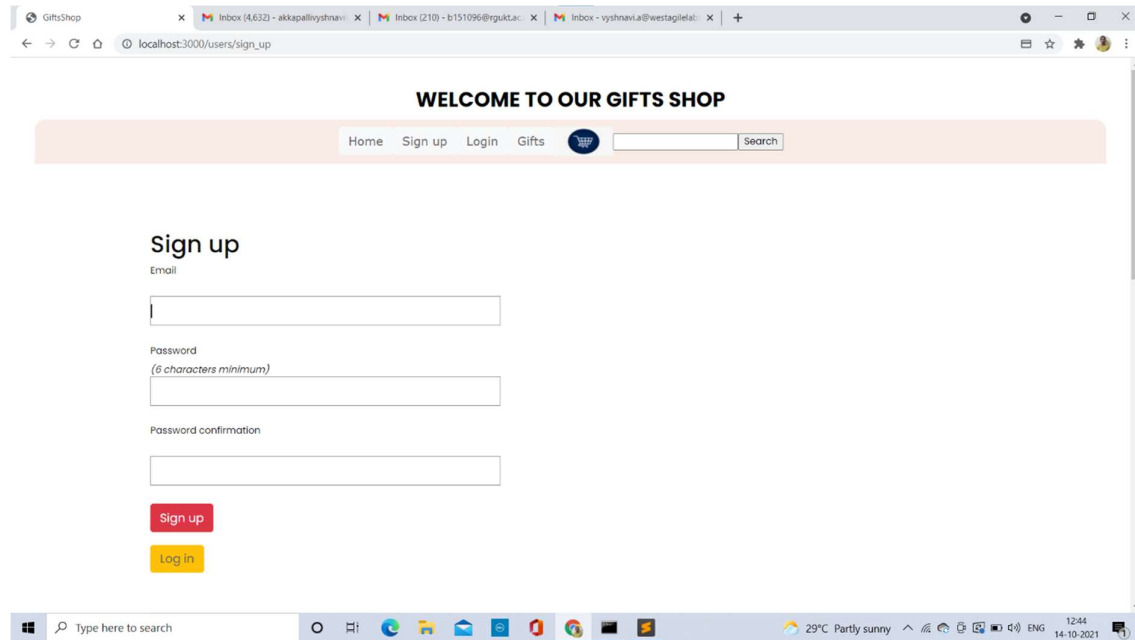

-It will display the rose items

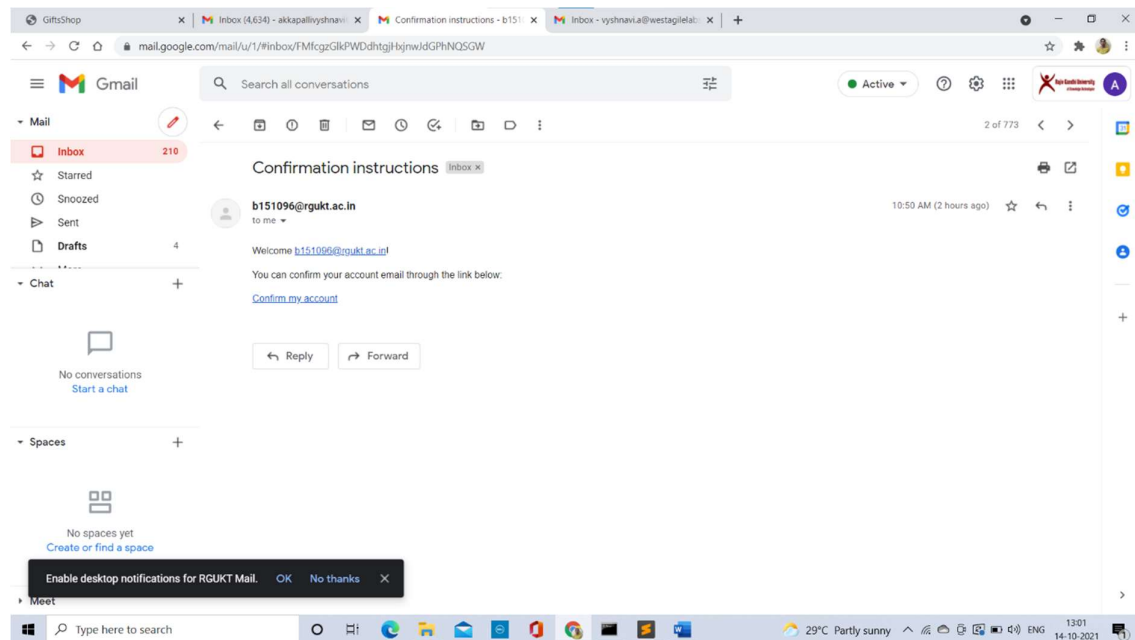

## 5.User

-user can signup

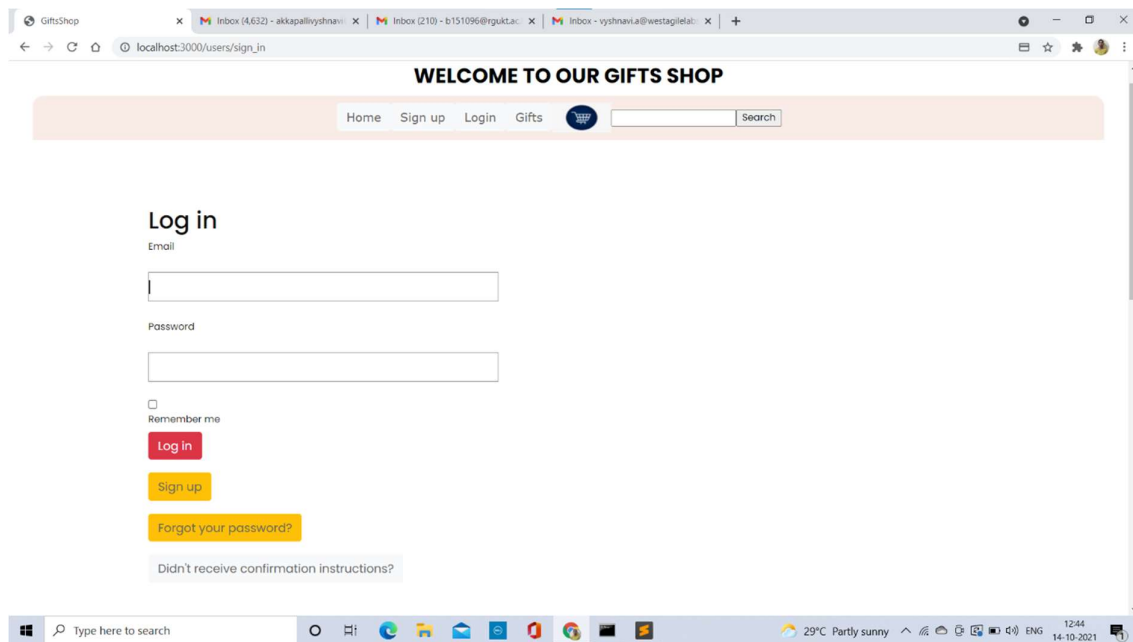

The screenshot shows a web browser window with the address bar displaying 'localhost:3000/users/sign\_up'. The page has a header with the text 'WELCOME TO OUR GIFTS SHOP' and a navigation bar containing links for 'Home', 'Sign up', 'Login', and 'Gifts', along with a search bar. The main content area is titled 'Sign up' and contains three input fields: 'Email', 'Password (6 characters minimum)', and 'Password confirmation'. Below these fields are two buttons: a red 'Sign up' button and a yellow 'Log in' button. The browser's taskbar at the bottom shows the Windows search bar, several application icons, and system information including '29°C Partly sunny' and the date '14-10-2021'.

-after signup confirmation mail is received by the user

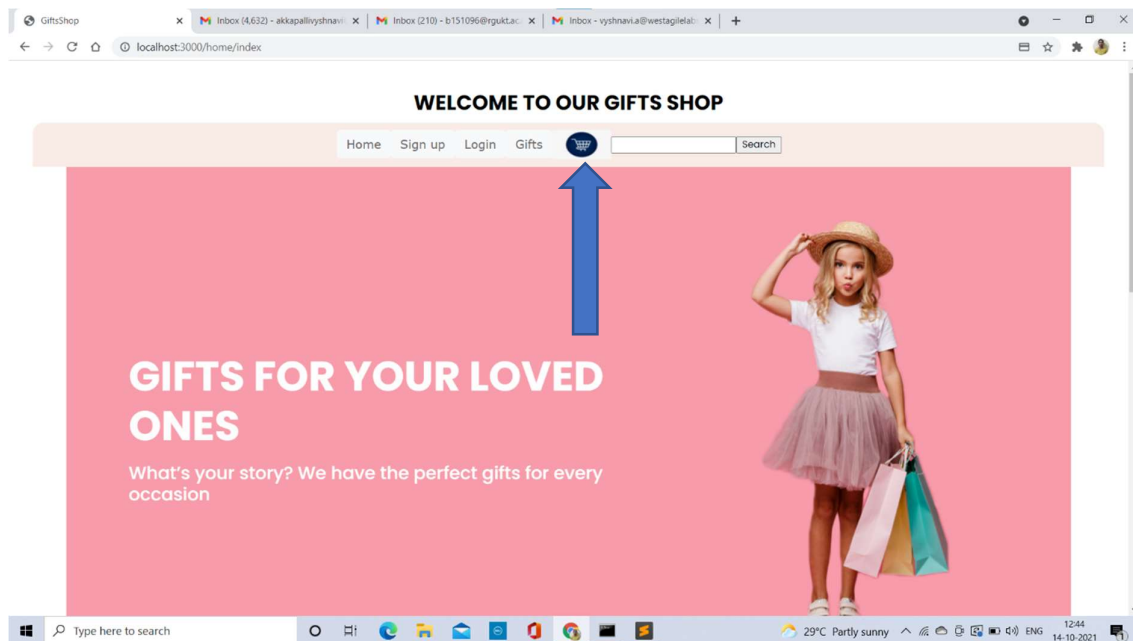

-After confirming the mail user can login using signup credentials

## 4.CART

-user can directly see the cart in the home page by clicking the cart symbol

-the products which are added to the cart will displayed here
